Hoshi Sushi, 1320 Stony Brook Rd, Stony Brook, NY 11790, USA, United States
+16316892323

The place from Stony Brook offers **145** different **menus and drinks on the menu** at an average price of \$12.5. At this all-you-can-eat sushi restaurant, diners are met with a mix of experiences. While some patrons appreciate the extensive menu options, including sashimi and hot kitchen dishes, others express frustration over service lapses and food quality. Complaints about inattentive staff and unappetizing dishes, such as watery soup and poor sushi quality, contrast with praise for fresh ingredients and efficient service during busy times. The cozy ambiance and appealing decor add to the atmosphere, although consistency in sushi preparation seems to vary. Overall, the restaurant offers good value, yet customer service and food quality warrant improvement for a more satisfying experience.
