The menu of Pacifica **Seafood** Restaurant from [Palm Desert](#) includes 285 dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$83.7. You can view the categories on the menu below. Pacifica is a top choice for dining, offering delicious food and a spacious terrace. The sea bass dish was particularly tasty, served with flavorful sauce, bok choy, and sticky rice. The service was excellent, with a knowledgeable and personable waiter named Ramon. Despite a slight reservation mishap, the overall experience was enjoyable with free dessert for a birthday celebration. While the restaurant can get loud, dining in a cabana adds to the fun atmosphere. Overall, Pacifica is recommended for a great dining experience, perfect for any occasion.
