The restaurant from [Jacksonville](#) offers **291** different **courses and drinks on the menu** for an average price of \$60.5. The reviews for this restaurant are quite mixed, with some customers very impressed by the imaginative and delicious dishes, attentive service, and romantic ambience, while others felt that the restaurant was overrated, with limited menu options and inflated prices for wine. The experience seemed to vary depending on individual preferences, with some diners enjoying the cozy atmosphere and exceptional service, while others found the portions to be too small for the price. Overall, the Wine Cellar seems to provide a lovely dining experience for those looking for a special meal, with exceptional service and delicious food being highlights for many customers.
