The place from Canton offers **299** different **dishes and drinks** on [the menu](https://menuweb.menu) for an average price of \$10.2. [Canton](#) House presents a mixed dining experience, evoking both praise and disappointment. While loyal patrons rave about the spicy sesame chicken and the nostalgia of fond college memories, newer guests often encounter bland dishes and unsatisfactory service. Many critiques highlight the underwhelming quality of the sweet and sour chicken, lackluster fried rice, and poorly executed entrees that fail to justify their prices. Furthermore, the ambiance and service have been described as lacking warmth, contributing to an overall less-than-desirable visit. Those seeking an exceptional dining experience might find better options in the area.
