**The menu** of Piccolo Trattoria from DOYLESTOWN comprises about **301** different dishes and drinks. On average you pay about \$12.5 for a dish / drink. Despite some mixed reviews, Pier 106 [Seafood](#) Tavern seems to have the potential to be a great dining destination in downtown Milwaukee. While some customers were disappointed by issues such as cold food, slow service, and menu items being unavailable, others had a fantastic dining experience with great customer service, delicious food, and a lovely waterfront location. Overall, Pier 106 offers large portions of reasonably priced food, perfect for a lively night out on the town. Recommended for those visiting Milwaukee looking for a seafood option.
