**The menu** of Sushi Thai Delight from Edmond comprises about **318** different courses and drinks. On average you pay about \$15.0 for a dish / drink. Visiting this restaurant yields varied experiences reflecting significant inconsistencies in food quality and service. While some diners rave about the flavorful dishes and attentive staff, others lament stale ingredients and lackluster execution. The ambiance is generally praised, with a clean environment and pleasant service. However, issues like excessive wait times for to-go orders and inadequate portion sizes can mar the visit. While certain favorites, like Tom Kha Soup and Pad Thai, garner loyal fans, others suggest exploring alternative dining options due to recurring disappointments. Overall, patrons should tread carefully and consider their choices.
