442 Salem St, Medford, United States Of America

+17813968881 - <https://www.shanghaimoonma.com/>

The menu of Shanghai Moon from Medford contains about **362** different courses and drinks. On average you pay about \$23.6 for a dish / drink. In a bustling culinary scene, this restaurant has garnered a mix of praise and critique. While many celebrate its incredible food—especially the standout crab rangoons and various dishes from the Chinese and Japanese menus—some express disappointment due to service issues and restructured portion sizes. The vibrant atmosphere, complete with friendly regulars and appealing drink options, enhances the dining experience, yet patrons occasionally find the wait times lengthy due to understaffing. Overall, for those seeking delicious food in a lively sports bar setting, this local gem remains a worthy option, albeit with some areas needing improvement.
