The **menu of TGI Fridays** from Riverhead includes **412** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$22.9. You can view the categories on the menu below. At a recent dining establishment, experiences diverged dramatically amongst patrons. Service inefficiencies were common, with long waits, unprepared staff, and ineffective management leading to chaos, especially during peak times. Complaints about food quality reflected a lack of attention, with some dishes arriving cold or poorly portioned. However, amidst the criticism, standout service from specific staff members, such as an energetic bartender, shone through, offering a glimmer of hope. Despite the occasional attentive service and enjoyable bites, many left vowing not to return, underscoring the urgent need for improvement in both management and kitchen execution.
