**The menu** of Picco from Hackensack comprises about **84** different courses and drinks. On average you pay about \$14.1 for a dish / drink. The restaurant offers average food with above-average prices and poor service, resulting in longer waiting times. However, the quiet atmosphere allows for pleasant conversations. While some issues were raised, such as limited handicapped access during a Mother's day buffet or an automatic 20% gratuity charge, most customers appreciated the quality of the dishes and the attentive staff service. Specialties like the morel sauce chicken and the vodka chicken received high praise, while the overall experience, including live music performances, renovations to enhance the ambiance, and accommodating owners, left diners satisfied and eager to return. In conclusion, Picco Tavern is a go-to spot for delicious meals, great service, and enjoyable moments, making it a favorite among Rochester restaurants.
