**The menu of Cuna del Sol from Manassas** contains about **120** different dishes and drinks. On average you pay about \$11.0 for a dish / drink. This restaurant offers a delightful taste of Guatemalan cuisine, featuring recommended dishes like carne asada and garnachas. While some diners rave about the freshness and exceptional flavors, others have experienced significant service and food quality issues, including incorrect orders and improperly cooked meat. Although a friendly atmosphere is noted, inconsistency in service and food preparation leaves mixed impressions. Additionally, patrons should be aware of the automatic gratuity included in the bill. Overall, while many relish the authentic dishes, potential customers might want to temper expectations based on varied experiences.
