The menu of The Danny Boy Grill At Gamble Sands from BREWSTER comprises about 75 different dishes and drinks. On average you pay about \$16.1 for a dish / drink. Dining at this restaurant presents a varied experience, leaving guests with contrasting impressions. While some patrons sing praises for the delightful food, attentive service, and inviting atmosphere, others recount frustratingly long waits, underwhelming dishes, and subpar cleanliness. Highlights include delicious appetizers like bacon-wrapped shrimp and perfectly cooked prime rib, while disappointments center around lackluster salads and portion sizes. Overall, the ambiance is appreciated, but inconsistent service and food quality may deter regular visits. For those seeking a pleasant dining experience, it remains to be seen whether the restaurant can strike a balance that satisfies all diners.
