A complete [menu](https://menuweb.menu) of Cora's from Barrie featuring all 22 menus and drinks can be found here on the menu. Cora's adventure began in May when she purchased a small diner in Montreal's Saint Laurent district. In just a few months, she transformed the diner into a breakfast paradise. Combining fresh fruits, creamy cheeses, wholesome cereals, fluffy omelettes, delicate crepes, and delectable French toast, Cora created a unique breakfast experience that catered to the growing trend of healthy eating. Drawing inspiration from family recipes, customer feedback, and even her children's ideas, she crafted a menu of delicious and nutritious morning options. Each new dish was accompanied by a vibrant illustration displayed on the walls of her cozy Côte-Vertu eatery. This imagery became a hallmark of Cora's eateries across Quebec, inviting guests to indulge in a breakfast feast like no other.
