Currently, there are **32** meals and drinks available. ****Restaurant Review: A Mixed Bag of Dining Experiences**** This restaurant offers a bright and inviting atmosphere, perfect for breakfast or brunch. Guests enjoy a diverse menu with a focus on tasty, well-prepared food and accommodating service. While many praised the friendly staff and cozy seating, some experienced long wait times and disorganization. Compliments went to specific dishes like the kale and mango smoothie and Eggs Benedict, though concerns were raised about overcooked meals and additional charges for extras like maple syrup. Overall, it's a family-friendly spot that many would return to, provided improvements to service efficiency are made.
