On this homepage, you will find the **complete [menu](#) of J J's Pizza Plus** from Armstrong. Currently, there are **22** meals and drinks available. JJ's Pizza offers decent pizza with a unique 2-for-1 pricing deal and a variety of topping options. While the pizza may be a bit greasy, the taste is still better than chain competitors. The restaurant itself may not be the most accommodating, with limited seating and some cleanliness issues. However, the homemade pizzas are worth a try, especially for those looking for delivery options in a small town setting. Overall, JJ's Pizza provides a tasty, albeit slightly flawed, dining experience for those passing through Armstrong.
