A complete [menu](#) of The Wortley Roadhouse from London featuring all 24 dishes and drinks can be found here on the menu. A South London village pub with a welcoming vibe, some returning regulars express uncertainty about revisiting due to inconsistent food quality and outdated interior. Despite a few unwelcoming encounters, standout service and decent prices make it a popular spot among locals. The patio offers a pleasant dining experience, unlike the noisy interior. The burger is a standout, juicy and oversized with a side of crispy fries. Overall, a good place for casual dining with great service, cold beer, and tasty pub grub.
