A **comprehensive menu** of Ruby Tuesday from Wrentham featuring all **69** menus and drinks can be found here on the list. ****Dining at Ruby Tuesday: A Mixed Experience**** Ruby Tuesday presents a varied dining experience, with highlights including a fresh and well-stocked salad bar that many patrons rave about. While the Hickory Bourbon Chicken garners praise for its unique flavor, some menu items, such as the BBQ Bacon Cheeseburger, occasionally miss the mark, lacking key components like BBQ sauce. Service and cleanliness have also received mixed reviews; while the staff is often friendly and welcoming, some have encountered issues like unclean restrooms. Overall, patrons appreciate the reasonable prices and the restaurant's community presence, yet there's room for improvement to enhance the dining experience.
