Here you will find the [menu](#) of **Fuzzy's BBQ** in Madison. At the moment, there are **19** meals and drinks on the menu. Fuzzy's has garnered mixed reviews from diners. While the pulled pork and hush puppies have received accolades for their flavor, the service has come under fire due to understaffing, particularly during peak hours.

Many patrons experienced long waits, with some servers being visibly overwhelmed. Though prices are generally reasonable, portions sometimes feel inadequate, leaving some customers questioning value. Despite these setbacks, the inviting atmosphere and ample free parking contribute positively to the overall experience. Recommendations include trying the pulled pork and hush puppies, but potential diners should brace for service-related hurdles during busy periods.
