**The menu of Ruby Tuesday from Horseheads** contains about **19** different courses and drinks. On average you pay about \$24.8 for a dish / drink. Ruby Tuesday offers a mixed dining experience, with service frequently praised for its attentiveness and warmth. Many patrons appreciate the friendly staff, often specifically requesting servers known for their exceptional service. However, the food quality leaves much to be desired; dishes reportedly lack flavor, proper portion sizes, and freshness. While the salad bar stands out positively, some customers express disappointment over the overall dining experience and food value for the price. Despite the challenges, dedicated staff members like Olivia and Sarah contribute positively, making the restaurant a spot for those seeking friendly service amid inconsistent culinary offerings.
