A **comprehensive [menu](#) of Cheddar's Scratch Kitchen** from The Colony featuring all **20** dishes and drinks can be found here on the menu. **\*\*Cheddar's: A Culinary Experience with Room for Improvement\*\*** Cheddar's offers a mix of culinary experiences, with diners enjoying warm croissants and flavorful chicken dishes. However, consistency remains an issue. Guests have reported lukewarm meals and overspiced dishes alongside long wait times, sometimes receiving inattentive service. While the steak and chicken fried steak have been well-received, other dishes have not fared as well, leaving some patrons hesitant to return. Despite these challenges, many still find value in the menu and ambiance, making it a reasonable dining option in the Nebraska Furniture Mart area for those seeking a casual meal.
