On this homepage, you will find the **complete menu** of Brunelleschi's from ASPEN. Currently, there are **26** menus and drinks available. In the heart of Aspen, a cozy restaurant/bar offers a mixed dining experience. While some guests rave about the flavorful pasta and attentive service, others are less impressed with the inconsistent quality of the pizza and unfortunate service lapses. Many noted an atmosphere perfect for people-watching, as well as solid options for those enjoying a casual meal while catching a game. However, complaints about cleanliness and inattentive waitstaff mar the overall impression. Patrons are encouraged to double-check their bills, as issues with gratuities have been reported. This restaurant is both praised and critiqued, leaving prospective diners to decide for themselves.
