The place from Chesapeake offers **26** different **menus and drinks on [the menu](#)** for an average price of \$6.7. At Jalapenos Mexican Restaurant, diners encounter a blend of experiences that range from flavorful highlights to disappointing missteps. While some patrons rave about generous portions and excellent margaritas, others express concerns over bland dishes lacking seasoning and poor service. A miscommunication regarding orders left one guest dissatisfied, and odd food delivery practices raised eyebrows. Despite these drawbacks, there are reports of delicious meals that keep some customers coming back. With a cozy ambiance and decent parking, Jalapenos has potential, yet consistency in food quality and service remains a key area for improvement.
