At the moment, there are **28** dishes and drinks on the menu. **Restaurant Review: A Mixed Bag at The Fox** The Fox, under new ownership since 2018, offers a casual dining atmosphere with a varied dining experience. While many patrons enjoy the delicious menu, featuring standout items like patty melts and flavorful wings, others express disappointment in service speed and food temperature. Comments on the ambiance highlight a need for improved lighting and noise control, especially during busy evenings with live music. Despite these drawbacks, guests appreciate the generous portions and friendly staff, making it a place worth visiting, particularly for those seeking a lively night of BINGO. Overall, The Fox remains a decent choice with potential for improvement.
