The restaurant from Saugus offers **43** different **menus and drinks on [the menu](#)** for an average price of \$9.0. This restaurant has recently faced mixed reviews, particularly concerning its sushi and classic Chinese offerings. Patrons expressed disappointment with soggy noodles, cold appetizers, and unaccommodating service, which tarnished previously favorable memories. Despite these setbacks, some diners still rave about the vibrant atmosphere, attentive service, and delicious sushi, especially the crab roll and fresh ingredients. While certain entrees have underwhelmed with an excess of vegetables, the quality of appetizers and signature items like pork fried rice continues to impress. Overall, this establishment remains a worthwhile dining destination for those seeking a lively experience amidst its challenges.
