A **comprehensive menu** of Huaraches Moroleon from Urbana featuring all **41** dishes and drinks can be found here on the menu. Nestled near the university, this cozy restaurant has garnered mixed reviews from patrons.

While some diners praise its authentic dishes and vibrant flavors, including standout items like bandera enchiladas and quesabirria tacos, others criticize the food for lacking seasoning and the service for being inattentive. Compliments abound for the fresh ingredients and generous portions, particularly in vegetarian options. However, a few guests reported unpleasant experiences due to staff indifference and unappetizing food textures. Overall, it appears this establishment has the potential for greatness, but consistency in cuisine and service remains a concern for many visitors.
