Here you will find the [menu](#) of Mykel's in [Soldotna](#). At the moment, there are **56** menus and drinks on the list. Mykels in Soldotna stands out as a prime dining destination, balancing a menu of seafood delicacies with a cozy, if somewhat dated, ambiance. Guests rave about the freshness of the king crab and the delightful salmon dip, though some express disappointment over high prices and inconsistent dish quality. Service generally earns high praise, with attentive staff making for a pleasant experience. While the atmosphere sometimes buzzes with live music, certain factors like room cleanliness and comfort can diminish the overall enjoyment. Despite mixed reviews, Mykels remains a tempting choice for seafood lovers seeking a unique culinary adventure in Alaska.
