A comprehensive [menu](#) of Miyoshi Japanese from Florence featuring all 59 menus and drinks can be found here on the menu. Miyoshi offers a clean, inviting atmosphere with impressive Japanese cuisine, particularly praised for its sushi and sake selection. Many guests appreciate attentive, friendly service and find it well-suited for special occasions. However, some diners note that main dishes can be bland, overpriced, or tough, with limited vegetarian and kid-friendly options. While consistent high quality delights repeat customers, others find the flavors less authentic compared to NYC standards. Overall, Miyoshi remains a favored neighborhood spot for those seeking a polished dining experience, though it may not fully meet expectations for those craving bold, traditional Japanese flavors.
