The menu of Smokies On The Water from **Grosse Ile** comprises about **64** different dishes and drinks. On average you pay about \$11.4 for a dish / drink. Smokies Restaurant has garnered a reputation for its inconsistency since relocating from Wyandotte to Grosse Ile. While some patrons appreciate the venue's potential, noting excellent dishes like the BBQ ribs and prime rib sandwich, others express frustration with the limited menu and poor service. Concerns have been raised about staff attentiveness and lack of menu items, particularly the fan-favorite mushroom crostini, which has unfortunately been removed. Despite the welcoming staff, some diners feel neglected, leading to disappointment over what was intended to be a special occasion. Smokies seems to have some work ahead to reclaim its former glory.
