Currently, there are **62** dishes and drinks available. ****Dairy Cone: A Mixed Bag of Experiences**** Dairy Cone in Columbus, TX, offers a cheery atmosphere with friendly service that draws in diners. While many praise the burgers and onion rings as fantastic, recent reviews highlight a disappointing decline in food quality, particularly with overcooked and poorly flavored dishes. Long wait times for subpar meals have frustrated some patrons, leading them to question whether to return. This charming spot has the potential to impress, especially with its creamy ice cream and standout burgers, but inconsistent food experiences may deter repeat visits. Parking can be tricky, but the overall ambiance invites a casual, family-friendly dining experience.
