On this website, you will find the **complete [menu](https://menuweb.menu) of Provisions** from Port St Joe. Currently, there are **67** dishes and drinks available. In Port St. Joe, a recent visit to a local restaurant yielded contrasting experiences. While some diners found the menu offerings flavorful and service exemplary—highlighting delicious dishes like bruschetta, Thai Angel, and Basil Bowtie—others expressed disappointment over the lack of vegan options. Those seeking plant-based meals were met with a lack of accommodations when kitchen staff were unavailable. Despite these concerns, many appreciated the warm and welcoming attitude of the servers, who were eager to assist. As the culinary scene evolves, this restaurant shows potential but may need to broaden its menu variety to cater to all diners.
