At the moment, there are **70** dishes and drinks on the menu. ****Restaurant Review: A Mixed Bag of Experiences**** Once a beloved dining destination, this restaurant is now experiencing a significant decline in both service and food quality. While some dishes still shine—such as the notable hand-breaded fish and generous portions—the overall dining experience is marred by slow service and inconsistent food preparation. Many diners report long waits, ignored requests, and a chaotic atmosphere, particularly with children running amok. Cleanliness issues further detract from its appeal. Despite occasional positive notes on food quality and friendly service, this establishment appears to require a serious overhaul to reclaim its former glory.
