On average you pay about \$3.5 for a dish / drink. ****Restaurant Review: Sonic Drive-In**** Sonic Drive-In showcases a mix of experiences, with consistent camaraderie among staff juxtaposed against frustrating service issues. While patrons appreciate the friendly demeanor of employees, long wait times and food inconsistencies tarnish the overall experience. Beverage orders can take 30 to 45 minutes, with multiple complaints about incorrect drink preparations and unresponsive management. Though some diners highlight the dedication of cooks and carhops, the overwhelming sentiment points to a need for improved efficiency and training. Ultimately, while the atmosphere remains inviting, many customers find themselves longing for the quality and speed that Sonic once delivered.
