A complete [menu](#) of Big B Bar-B-Que from [Alexander City](#) featuring all 78 dishes and drinks can be found here on the list. The restaurant has a down-to-earth atmosphere filled with vintage memorabilia that gives it the feel of an Americana history museum. The Country Fried Steak was huge and topped with a brown gravy, while the Brunswick stew was more vinegary than preferred. However, the service was slow with orders being confused and wrong. The food was subpar overall, with grey ribs and mushy pulled pork. Despite this, some customers had a delightful experience with seasoned and fried dishes, along with good service and generous portions. Overall, the restaurant had mixed reviews ranging from disappointing experiences to pleasant surprises.
