The menu of Wendy's from Durham comprises about 79 different dishes and drinks. On average you pay about \$7.1 for a dish / drink. Despite a mix of experiences, the restaurant's drive-thru has drawn attention for both commendable and concerning aspects. While some patrons praised the freshness and quality of the food, particularly the spicy sandwiches, others expressed frustration over long wait times and disorganized service. Instances of rude customer behavior towards staff led to commendable displays of professionalism from the employees, who remained courteous under pressure. However, repeated issues with order accuracy and lack of basic items like napkins and straws have left some customers disenchanted. Overall, the restaurant showcases a blend of potential and problematic service that warrants attention.
