The place from [Clinton](#) offers **77** different **menus and drinks on the menu** for an average price of \$16.1. This restaurant offers a mixed experience, with many praising the delicious, flavorful pizzas, wings, and diverse menu options suitable for families and children. Highlights include hot, fresh deliveries and convenient parking with good wheelchair accessibility. However, service quality is inconsistent—some guests report overworked staff, poor customer interaction, and delivery issues. The atmosphere can be chaotic during busy times, and occasional management behavior has raised concerns. While the food generally impresses, pricing feels slightly high to some. Overall, it's a place worth trying for tasty meals, but improvements in service and delivery reliability would enhance the experience.
