The **menu of Steven's Cafe** from Weehawken includes **95** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$6.2. You can view the categories on the menu below. Nestled in a vibrant locale, this café offers tempting egg sandwiches and coffee that impress but lacks the charm for a leisurely visit. Patrons often find long lines and an outdoor area plagued by smoking patrons. While some enjoy the fresh bagels and flavorful macaroons, many criticize the inconsistent quality and underwhelming service. High prices paired with average food leave visitors feeling unsatisfied. Amidst friendly yet disengaged staff, diners seek a welcoming atmosphere that remains elusive. Ideal for grab-and-go orders, this spot is best for those in transit rather than those seeking a leisurely café experience.
