The restaurant from Eugene offers **120** different **dishes and drinks** on [the menu](#) at an average price of \$10.7. Pappy's Pizzeria offers a variety of pizzas, but opinions about its quality vary significantly. While some patrons praise the fresh ingredients, great crust, and diverse toppings, others find the pizzas just serviceable and overly salty. The service can be hit-or-miss, with orders sometimes arriving at different times. Despite the enjoyable atmosphere and family-friendly play areas, many diners feel the prices are steep, making the experience less appealing overall. While it's a beloved spot for some, particularly families drawn by the extensive hours and lunch buffet, others suggest they'd prefer more value for their money.
