**The menu of Wendy's from Franklin** comprises about **127** different dishes and drinks. On average you pay about \$5.2 for a dish / drink. This restaurant struggles with consistent customer service, often lacking staff at the register and confusing policies about mobile-only orders. Guests frequently experience long waits, unhelpful or dismissive employees, and occasional errors with orders, leading to frustration. The interior is dated and in need of a refresh. However, the breakfast menu garners praise, especially items like the maple bacon chicken sandwich and potatoes, along with their lemonades. Despite service challenges and slowdowns likely due to staffing shortages, some patrons find the quality of the food worth the wait. Overall, improvements in staff training and communication are needed to enhance the dining experience.
