The **menu of Dicastro's** from Rome includes **163** courses. On average the *courses or drinks on [the menu](#)* cost approximately \$12.3. You can view the categories on the menu below. DeCastros offers a charming atmosphere and a mix of culinary experiences that range from outstanding to disappointing. Many diners rave about the homemade pasta and signature dishes like antipasto and beef stroganoff, often praising the warm, friendly service. The outdoor patio is dog-friendly and adds to the restaurant's inviting ambiance. However, some dishes, like the eggplant parmesan and wood-fired [pizza](#), have left customers wanting more, with complaints of bland flavors and excessive sauce. Despite occasional service lapses, most agree that DeCastros is worth a visit for a relaxed dining experience.
