On this webpage, you will find the **complete menu** of Applebee's from Ludington. Currently, there are **181** menus and drinks available. Applebee's offers a diverse menu, featuring fan favorites like buffalo wings and baby back ribs. While some diners rave about the food quality and attentive service, others express disappointment with portion sizes and inconsistent service. Numerous guests noted that the atmosphere is welcoming, with friendly staff enhancing the experience. However, repeated mishaps regarding service, such as long wait times and unfulfilled requests, have led to frustrations. Despite the mixed reviews, many patrons enjoy specific dishes and appreciate the overall vibe. For those seeking a casual meal, it remains a hit or miss dining option.
