The **menu of Milan Sweets** from Milpitas includes **160** dishes. On average the *dishes or drinks* on [the menu](#) cost approximately \$12.8. You can view the categories on the menu below. Milan offers a unique vegetarian dining experience with a diverse array of Indian snacks and desserts. While their Jalebis and Khandvi impress, some main dishes, such as paneer sizzler and manchurian, have received criticisms for their flavor and portion sizes. The ambiance remains pleasant, maintaining sanitary protocols since the pandemic. Patrons often rave about the quick service and delightful appetizers like aloo bonda and dhokla, yet note that many entrees lean towards a sweeter profile, which may not cater to all palates. For dessert lovers, however, Milan remains a tempting destination in the Bay Area.
