The menu of TGI Fridays from Winston-Salem contains about **245** different menus and drinks. On average you pay about \$8.6 for a dish / drink. Despite some mixed reviews, many customers had a negative experience at this restaurant due to poor service and seating issues. One group had to wait without menus for 45 minutes and eventually left, highlighting the impact poor service can have on a business. Another party of eight struggled to find suitable seating for their celebration and ended up leaving as well. Despite slow service and a lack of attention from management, some diners enjoyed the food once it arrived. The noise level was an issue for some, but others found the food delivery times reasonable. Overall, it seems that this restaurant may have some room for improvement in terms of customer service and seating arrangements.
