2600 Smith Ranch Road Pearland, TX 77584, United States

+17134364297 - <http://www.tgifridays.com/>

The restaurant from Pearland offers **268** different **dishes and drinks on [the menu](https://menulist.menu)** for an average price of \$8.3. Thea offers a dining experience that combines exceptional service, beautiful decor, and delicious food made with local, wholesome ingredients. The BYOB policy is a plus for customers looking to enjoy their own beverages with their meal. While some reviews mentioned delays in food coming out and forgotten orders, overall, Thea seems to impress customers with their appetizers and salads, especially the beet salad and Brie brûlée. The entrees received mixed reviews, with some dishes like the crab and shrimp pasta falling short of expectations. The desserts, like the orange cheesecake and Brie brûlée, were praised for being generous and flavorful. It seems that Thea excels in providing a lovely dining experience, especially for those looking to enjoy a variety of appetizers and salads rather than traditional entrees.
