The place from Little Elm offers **115** different **menus and drinks on [the menu](#)** at an average price of \$6.0. This local Burger King paints a conflicting picture, with experiences ranging from outstanding service to alarming discrimination. While some patrons rave about friendly staff, quick service, and freshly prepared meals, others report distressing incidents involving employees, including discriminatory behavior toward African American staff. Food quality consistently faces criticism; customers describe burgers as cold and stale, diverging sharply from typical Burger King standards. Cleanliness of the establishment is a noted positive, but overall experiences suggest a pressing need for improvement in both service consistency and employee treatment. A visit here might yield unpredictable results.
