Currently, there are **12** meals and drinks available. **\*\*A Mixed Bag at House of Hunan: A Restaurant in Transition\*\*** House of Hunan has long been a beloved dining spot, known for its friendly service and generous portions. However, recent visits reveal a troubling decline in standards. While many patrons continue to praise the food, particularly the crab rangoons and beef teriyaki, others have reported unsettling experiences, including moldy ingredients and cleanliness issues. The ambiance has improved with updated decor, but consistent quality and attention to detail are now in question. Loyal customers hope this was merely an off week, as they eagerly anticipate a return to the restaurant's former glory.
