**The menu** of Asian Grill from Midlothian comprises about **300** different courses and drinks. On average you pay about \$13.7 for a dish / drink. In a recent exploration of local dining experiences, one restaurant emerged as a topic of contention, particularly regarding its seafood offerings. Guests expressed disappointment over undersized crab legs and mushy crawfish, with many claiming the quality had significantly declined. Conversely, another venue received accolades for its attentive service and flavor-packed dishes, including pan-fried gyoza and a standout chicken garlic dish. Customers appreciated the quick turnaround for takeout and the warm atmosphere fostered by dedicated staff. Overall, while some experiences left diners feeling underwhelmed, others highlighted the potential for delightful culinary adventures in the area, emphasizing the importance of freshness and attentive service.
