Nestled in the vibrant Tampa Bay Area, this restaurant specializes in Taiwanese-style milk tea and boba, boasting a diverse and customizable menu. While many patrons rave about the delicious drinks, including enticing frozen slushies and creamy taro milk tea, some express frustration with service inconsistencies and long wait times, particularly during busy hours. The staff is generally friendly and accommodating, but issues like miscommunication and errors in orders have been noted. Overall, despite a few service hiccups, this eatery remains a worthy destination for boba enthusiasts seeking a refreshing experience.
