Here you can find the [menu](#) of **The Palace** in East Moline. At the moment, there are **26** courses and drinks on the food list. The Palace restaurant has recently undergone a remodel, with a great new outdoor patio area. While the atmosphere is appealing, the service has been inconsistent with long waits and mistakes in orders. Some customers have had disappointing experiences, with rude staff and subpar food. On the other hand, the food is described as great by others, with a large sausage [pizza](#) receiving particular praise. The venue also offers live music on the patio during warm months. Despite some hiccups, the overall consensus is that The Palace is worth a visit for good food and a pleasant atmosphere.
