The **menu of Eden** from Chicago includes **135** courses. On average the *courses or drinks on [the menu](#)* cost approximately \$12.8. You can view the categories on the menu below. Eden is a trendy bistro with a friendly atmosphere, although it can get noisy. The food is excellent, but some find it a little pricey for the portions received. The service can be hit or miss, with some language barriers and forgotten tables. However, others have had great experiences with helpful waitstaff and delicious food. The outside area looks inviting, and some find the weeping list in need of improvement. Overall, reviews are mixed with some finding the experience fantastic while others vow to never return due to bad service and broken promises. If you're in the Bishops Arts area, Enzo's offers a unique take on pizza with friendly service in a lively atmosphere.
