The Menu of Half Barrel from Knoxville includes about **25** different dishes and drinks. On average, you pay for a dish / drink about \$5.1. The Half Barrel offers a rather forgettable bar experience, with high prices for appetizers, average beer selection, and disappointments like beers running out. Some even found the service to be slow and the atmosphere lacking. However, others enjoyed the relaxed atmosphere, great drink selection, and fun arcade games, despite the self-service model. The bartenders were praised, especially for their specialty drinks. The Kentucky vs. Tennessee game at the bar had a fantastic atmosphere, where even opposing fans had a good time. The bar was also lauded as a top-notch dive bar experience, with a party atmosphere, small yet tasty burgers and wings, and a helpful staff. Some minor complaints included challenges with food service and the quality of glasses used. Overall, Half Barrel seems to be a great spot for those looking for a lively bar experience on the Cumberland Strip.
