On this website, you can find the **complete menu** of **Taste Good Restaurant** from United States. Currently, there are **21** meals and drinks up for grabs. The restaurant, a small hole-in-the-wall spot, may not look like much from the outside, but it offers a variety of delicious Malaysian dishes that are worth a try. Customers recommend starting with the Roti Canai for an appetizer and trying the #157, which is a fried coconut rice with shrimp and chicken. The sizzling black pepper beef is also highly recommended. Despite the small size and less-than-ideal appearance of the restaurant, the friendly staff and tasty food make up for it. Some must-try dishes include the sizzling bean Curb/Tofu, Hainan chicken, and kangkung belacan. While the service may not be the most attentive, the overall experience is enjoyable and worth coming back for more unique Malaysian flavors.
